

PARTY GUIDELINES

To enjoy a stress free enjoyable party, please read the following party booking guidelines.

1. A minimum of ten children are required to book a party and a minimum of 30 children are required to book an exclusive party.
2. Each party room can accommodate up to 30 children. If your party number exceeds 30, you will be required to book a large double party room, which has a maximum capacity of 60 children. A minimum of 40 children are required for a large double party room. Double party rooms are subject to availability.
3. A provisional booking can be made in person or over the phone. Please note that the submission of a provisional booking does not in any way confirm a party booking. Snakes and Slides will confirm the availability of your chosen time slot and will provisionally hold the slot for a maximum of 48 hours. You will then be requested to pay a deposit within 48 hours to guarantee your party booking. This deposit is to be paid in person as you are required to fill out a party booking form. We are unable to take party deposits over the telephone.
4. If the deposit is not paid within 48 hours, this will result in your provisional booking being removed and cancelled from the party diary and your slot may be given to another customer.
5. A non-refundable deposit of £50 is required at the time of booking (£100 for double room/ full payment for 30 children for an exclusive party). Once your deposit has been paid we will provide you with the party invitations. You will then be required to pay the remaining balance (confirming party numbers and attendee names) seven days prior to the date of your party, either by cash, credit card or debit card. Personal cheques are no longer accepted. We are able to process final party payments over the telephone.
6. On the day of the party, if you have extra children attending your party, you are able to pay for up to a maximum of four children on the day.
7. Please note, once payment has been made that under no circumstances will a refund be given (this also applies to absent children on the day of the party who have already been paid for).
8. Please inform at time of booking if there are any special requirements for your party.
9. Please advise Snakes and Slides of any special dietary requirements when booking / and or at the time of final payment seven days before the party. This also applies to any vegetarian food required. Please be advised that all products within the party meal may contain traces of nuts.
10. Unless otherwise agreed with Snakes and Slides Management, no other food or drinks are to be brought in to the play centre.
11. A Snakes and Slides party host will be dedicated to your party during the time of your party. We do request that all children attending the party are supervised by a responsible adult, as the Snakes and Slides party host is not responsible for their welfare. We recommend one adult should be present per five children.
12. All children/adults going onto the play kit must wear socks. We do request that guests familiarise themselves with the Rules of Play which will be given out at the time of booking. Rules can also be found on the Snakes and Slides website.
